# Ideation Phase Empathize & Discover

Date	06 May 2023
Team ID	NM2023TMID17489
Project Name	CancerVision: Advanced Breast Cancer
	Prediction With Deep Learning
Maximum Marks	4 Marks

# **Empathy Map Canvas:**

How many do I need to just feel okay?

What should we have for lunch or dinner?

I hope that the cancer does not come back!

I wish I can eat something to boost my hair growth..

#### Hear

Vaishali did you take your chemo pills?

Maid asking, what to meal prep today?

Vaishali did you make your follow up appointment ?

# Vaishali the Survivor

# See

Text from friend sharing some recipe

Daily soaps on Zee Television

Facebook post of a cancer survivor sharing inspiring story

#### Say & Do

"I am going for a walk around the complex"

Calling up a nutritionist recommended by a friend.

"Baai, could please make rotis and just a soup for dinner..! am really fatigued.."

# Goals

Stay on top of my health

Come up with a meal plan for my side effects and for my family

Teach and reach out to fellow cancer survivor

Try to think of strategy to get back to work

### Pain points

I still lose my energy so fast

I do not know how much to eat to alleviate my fatigue

My taste buds are not back to normal yet

It is hard to teach my husband just to make a simple soups, he always keeps asking exact amount of salt, and spices.
